

ROUGE EDUCATION PROJECT

Adopt-a-School Contribution Form

"I think it is important to learn about the Rouge River because it makes me like science more and [it] teaches me how to take care of my environment." -6th grade student

"Water quality testing makes the abstract concrete. It gets the...[students]...out in the mud and water to find out what environmental science can be all about...I believe in active participation in science, and the Rouge Education Project is just that." - High School Teacher

Please use this form to reflect your tax-deductible contribution. **If you cannot send your contribution at this time, please return this form now and a check when you are able. This will allow Friends of the Rouge to notify the school(s) as soon as possible of their sponsorship.**
