## RAIN GARDEN WORKSHOPS & DEMONSTRATION PLANTINGS

The Rain Garden Workshops include presentations, demonstrations, and resources to equip you with the skills to create and care for your own rain garden!

Learn how rain gardens and other rainwater management practices help non-profit and faith-based organizations and small businesses reduce drainage costs.

### **BUILDING A RAIN GARDEN CAN HELP TO:**

- ◊ Reduce stormwater runoff and pollution into the Detroit and Rouge Rivers
- ◊ Create a healthier community
- ◊ Provide habitat for birds, bees, and butterflies
- ◊ Protect your property from flooding
