SAFE PADDLING TIPS

Check the Weather: Weather on the river changes quickly, so always check forecasts before heading out. Be prepared for rain and wind. Always bring extra clothing.

Stay Alert: Keep your eyes on the water at all times. Be aware of your surroundings. Watch for obstacles, such as rocks, trees, and other debris.

Stay Calm: Keep your cool in the water. Do not panic. If you do fall out, stay with your raft or kayak. Use your helmet and life jacket.

Stay Physically Fit: Physical fitness is important for paddling. Regular exercise will help you stay healthy and strong.
